

## DDC Counselor-In-Training Program

The DDC Counselor-In-Training (C.I.T.) Program is an important bridge between full time camper and full time staff. Most 13 and 14 year olds have outgrown a traditional day camp program yet are not quite ready for the full-time work day and 7-week requirement of a full-time DDC staff member. The DDC C.I.T. program is structured to deliver a focused introduction to the world of work PLUS fun and exciting camp activities.

### Each 3-week session offers:

#### Skill Building -

- Training and hands-on experience in youth program supervision
- Introduction to behavior management techniques and child development
- CPR instruction/certification
- Weekly training seminars including problem solving, role playing and discussion groups
- Evaluations and employment references will be provided at program's completion

#### Confidence Building –

- Hands-on and supervised counseling experience with DDC campers ages 4 – 12
- Exposure to creative and age-appropriate youth programming
- Learn youth swim instruction techniques
- Staff camaraderie and group solidarity

#### Fun!

- Learn the world of work in a summer camp environment
- Enjoy many of the camp program activities
- Be a part of the DDC special events
- Cool off-campus activity each session

### Session Dates and Fees

Session 1: 6/16 - 7/3

Session 2: 7/7 - 7/25

Total program fee for full 3-week session: \$775

Tuition: \$600

Nonrefundable Registration fee: \$175

### It's the Best of All Worlds!

The DDC C.I.T. program offers the best of all worlds – fun, skill building, certification, and job experience – to middle school students. Enrollment is limited. To apply, simply download and complete the C.I.T program application – it's downloadable from the website or give us a call if you would prefer we send one by mail.
